Note: Due to recent enhancements to the NCP Program, there will be a \$50 increase to the overall NPC exam fee. Effective September 1, 2024, an NCP practice test will be added to your exam registration. This will allow candidates to test their knowledge and become familiar with the style of questions used in the actual NCP exam.

The NCP exam and its practice test fees will be as follows:

- NCP Exam: \$500/\$625 (member/non-member; includes practice test)
- NCP Practice Test: \$50 (non-registrant may purchase access to the exam practice test)

Anyone who registered prior to September 1, 2024, or who transferred their 2024 exam registration to the 2025 exam will need to pay the extra \$50 to gain access to the practice test. Please reach out to Nicole Hanlin at ncp@theclearinghouse.org for assistance.
